The Trustees present their report and financial statements for the year ended 30 September 2014.

Structure, governance and management

For the purpose of charity legislation, the Trustees are precisely the members of the British Combinatorial Committee. The Committee governs in accordance with the Constitution, which is available on the Committee’s website, or from the Secretary on request. The Chair and six members of the Committee are elected biennially. The local organiser of the next British Combinatorial Conference and the Editor of the British Combinatorial Bulletin are ex officio members. One further member of the Committee was co-opted. Also co-opted are the organisers of the Postgraduate Conference.

Objectives and activities

The British Combinatorial Committee was founded in 1977 with the general aim of encouraging the study of Combinatorial Mathematics, and with the particular purpose of organising every two years a conference in Great Britain devoted to this field of research. Previously, five such meetings had been organised on an informal basis. The British Combinatorial Conference has since become one of the leading international conferences in this expanding area of mathematics. The Committee’s activities have widened to include support for postgraduate conferences, various shorter meetings and occasional prizes. The Committee also publishes the British Combinatorial Bulletin, which has appeared annually since 1975; the current issue, edited by Dr D B Penman at the University of Essex, is available at http://privatewww.essex.ac.uk/~dbpenman/BCB/index.htm.

Financial support

The following is a list of the activities in 2013–14 for which the Committee agreed to provide partial financial support.

1. 1-5 July 2013
   24th British Combinatorial Conference
   Royal Holloway University of London
   Attendance: 145
   Profit: £3268

2. 30 October 2013
   Old Codgers Combinatorics Meeting
   University of Reading
   Attendance: 30
   Subsidy: £499.31

3. 29 January 2014
   12th OU Winter Combinatorics Meeting
   The Open University, Milton Keynes
   Attendance: 45
   Subsidy: £450

4. 14–15 May 2014
   Two One-Day Colloquia in Combinatorics
   Queen Mary, University of London (14 May), London School of Economics (15 May)
   Attendance: 80
   Subsidy: £1230.00
Voluntary work

The Society’s officers and Committee members undertake all their work for the Committee on a voluntary basis. They therefore receive no payment beyond reimbursement of some of their expenses.

Financial review

The Committee’s finances generally follow a 2-year cycle, since the British Combinatorial Conference is held in alternate, odd-numbered years. The net surplus from previous conferences, including royalties from invited lectures published by Cambridge University Press, provides the funds used to underwrite future conferences and to support secondary activities. The net surplus from the most recent conference in 2013 was £3268. In round figures, income for 2013–14 was £1450 and expenditure was £3097. This leaves a balance of £23553, the bulk of which is held in interest-bearing bank accounts. The Trustees consider that the Charity is exempt from audit.

Plans in the Year 2014–2015

The Committee has agreed to support Combinatorics meetings at the University of Glasgow 29–30 April 2015, at the Open University on 4 March 2015, at Queen Mary, University of London on 13 May 2015, at the London School of Economics on 14 May 2015, and at University of Oxford on 27 May 2014 and 17 April 2015. The next British Combinatorial Conference is to be held at the University of Warwick from 6 to 10 July 2015, and the Postgraduate Combinatorial Conference at Queen Mary from 13 to 15 April 2015.

Statement of Trustees’ responsibilities

The Committee’s General Policy and Rules require accounts to be prepared annually on 30 September. It is the responsibility of the Trustees to ensure that the annual financial statements give a true and fair view of the state of the Charity, and of its surplus or deficit for the year. The Trustees are responsible for the maintenance of proper accounting records which disclose with reasonable accuracy at any time the financial position of the Committee. They are also responsible for safeguarding the assets of the Committee and hence for taking reasonable steps for the prevention of fraud and other irregularities.

INDEPENDENT EXAMINER’S REPORT ON THE ACCOUNTS

Report to the trustees of the British Combinatorial Committee, registered charity number SC019723

I report on the accounts of the charity for the year ended 30 September 2014 which are set out on page 6.

Respective responsibilities of trustees and examiner

The charity’s trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. The charity trustees consider that the audit requirement of Regulation 10(1)(d) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner’s statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner’s statement

In the course of my examination, no matter has come to my attention

(1) which gives me reasonable cause to believe that in any material respect the requirements:

   (a) to keep accounting records in accordance with Section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and

   (b) to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations

have not been met, or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
